

INVENTION DISCLOSURE FORM

**University of New Haven
Office of the Provost**

Submitted by: _____

Department: _____

Campus Address: _____ Phone: _____ Email: _____

1. Title of Invention: The title of the invention should be brief but technically accurate and descriptive

2. Type of Invention (new process, new composition of matter, new device, improvements in any of above, or new use for a new or existing product or process):

3. Description of the invention: include a brief history of developments that have lead to this particular invention. Also included in this section should be a statement of the field to which the invention pertains

4. To the best of your recollection, the date the concept of this invention first developed was _____ (as supported by notebooks, grant applications or other records).

5. Were your lab notebooks and records witnessed at the time of the invention was made?

Yes ___ No ___

6. This invention has the following features that make it new and different:

7. Describe any work you may have done to demonstrate that the invention works, or is useful, or has the properties, features or benefits that are desirable:

8. This invention is or could be commercially useful for the following reason:

9. List any companies you know of who may be interested in licensing this invention:

10. Do you believe that this invention could provide the basis for a start up company. Elaborate:

11. List future research that would further enable the invention. Include time frame for performing this research and approximate costs:

12. University of New Haven Creators:

Name: _____ Dept: _____ % _____

Name: _____ Dept: _____ % _____

Name: _____ Dept: _____ % _____

Name: _____ Dept: _____ % _____

13. Creators working elsewhere than at University of New Haven were (Names and Affiliations):

Name: _____ Affln: _____ %
 Name: _____ Affln: _____ %
 Name: _____ Affln: _____ %

14. Materials used either in the invention or to make the invention were (check all appropriate):

- _____ Purchased as a stock item from a vendor or supplier.
- _____ Made at University of New Haven by the undersigned or co-Creators.
- _____ Obtained from others at University of New Haven.
- _____ Obtained from a collaborator outside University of New Haven.

(If either of latter two is checked, please provide particulars.)

15. Funds used to support the work that led to the invention came from (check all appropriate):

- _____ The Federal Government (please provide details below)
- _____ Not-for-profit organizations or foundations (please provide details below)
- _____ Industrial sponsors (please provide details below)
- _____ The University (School, Department)
- _____ Other (explain) _____

Agency Name	Grant/Contract Number	Grant/Contract dates of performance

16. Have you publicly disclosed this invention? Yes _____ No _____

If Yes, when: _____ to whom: _____

If published, or submitted for publication, provide details, including actual or anticipated date of publication.

17. University of New Haven’s Office of Provost has my permission to disclose this information for evaluation purposes under protection of a confidentiality agreement.

_____ Yes _____ No.

The above statements are true to the best of my knowledge and belief.

I (We) hereby agree to assign all right, title and interest to this invention to University of New Haven and agree to execute all documents as requested, assigning to University of New Haven our rights in any patent application filed on this invention, and to cooperate with University of New Haven Office of Technology Management in the protection of this invention. University of New Haven will share any royalty income derived from the invention with the Creator(s) according to its standard policies.
